

# ADITYA CHABBA

DATA ANALYST

## PROFILE

Analytical and detail-driven aspiring Data Analyst proficient in MySQL, Excel, Tableau, and Power BI. Experienced in cleaning, transforming, and visualizing data to support data-driven decision-making. Strong problem-solving mindset with the ability to interpret complex datasets and communicate insights clearly. Seeking an entry-level role to contribute to impactful analytics projects and grow within a dynamic organization.

## WORK EXPERIENCE

### 2025 - PRESENT

July 2025

Kalvium I Hsr layout , Bangalore

#### Academic Mentor

- Mentored students in core computer science subjects ensuring strong conceptual understanding and academic progression.
- Conducted engaging learning sessions, workshops, and doubt-resolution discussions while providing personalized academic guidance through structured study plans, and actionable feedback to enhance practical knowledge and drive continuous improvement.
- Collaborated with faculty teams to maintain curriculum alignment, ensure delivery quality, and enhance the overall academic experience via performance tracking.

## PROJECTS

### Data cleaning and Exploratory data analysis

SQL using Mysql community server

- Github :- Data cleaning and EDA
- Cleaned the dataset by removing duplicates, standardizing formats, trimming spaces, and handling null values while keeping only essential columns. Also performed Exploratory Data Analysis (EDA) to uncover key patterns and insights.

### Working on data with Microsoft Excel

Ms Excel for data cleaning, analysis and Visualization

- Github:- Microsoft Excel
- Cleaned the dataset using Excel by removing duplicates, standardizing formats, trimming extra spaces, and handling null while retaining only essential columns. Used Excel formulas for data cleaning, pivot tables for data analysis, and created visualizations to build an interactive dashboard.

### Data Visualization

Tableau

- Deployment link :- TABLEAU DASHBOARD
- Created an interactive Tableau dashboard by building multiple visualization sheets and combining them into a clear, insight-driven Airbnb data analysis.

### Portfolio

Html5, Css, Javascript , React Js

- Deployment link :- Portfolio deployed on Vercel
- Discover my skills, projects, and professional journey.

## EDUCATION

### 2025 (Jan - Jun)

#### MASAI ( SOFTWARE DEVELOPMENT )

- Front-end Web Engineer

### 2021 - 2025

#### CHITKARA UNIVERSITY

- (B.E) Bachelor of Engineering
- CGPA: 8.74

## SKILLS & TOOLS

- HTML
- CSS
- Javascript
- SQL ( DDL, DML, DQL )
- Mysql Community Server
- Data Cleaning
- Exploratory Data Analysis
- Data Visualization
- Microsoft Excel
- Microsoft Power Bi
- Tableau
- Git / Github
- Cloud Computing ( AWS )

## SOFT SKILLS

- Leadership & Reliability
- Team Work & Strategic Planning
- Attention to Detail & Accuracy
- Time Management
- Project Management
- Effective Communication

## LANGUAGES

- Hindi : Native
- English : Professional Proficiency

## CERTIFICATIONS

### Masai :-

Software development course  
Web Engineer ( Html, Css, Javascript ).
